

This summer I was with my boyfriend at the seaside in Rowy. In the photo, I look at the beautiful seas during sunset. The most beautiful view in my opinion. Even though I am at the seaside every two years, I come back with great pleasure. I have many memories of this place that I have a lot of sentiments for. Being there, I forget about the whole world around me and enjoy the moment. Night walks by the sea and listening to the sound of the water help me relax, regenerate my strength and inner peace.
