

Hi everyone

I want to tell you about my holidays picture. This photo was taken in Venice. In the picture you can see Me. I have a black T-shirt and shorts. I have a hat in my head and I'm smiling. In the background are people and popular building such as St Mark's Campanile. When I look at this picture, I remember my trip to Italy. I fell joy, happiness and excitement. I recommend this places to everyone because you can bustier a lot and have a nice time there. When I was in that place, a lady asks me to take a photo with her. It was very funny because I guess she took me for someone famous.

It was a wonderful holidays

Hold on
