

Holiday postcard

The picture was taken in Jarosławiec, Poland. In the picture we can see the sunset. In the foreground there is part of the beach and some seaweed. Probably the sea threw them at the shore. In the background there is the peaceful sea. Waves are very small. Also, we can see some rocks nearby and people standing at them. In the center of the picture there is the sun.

The sky is in the marigold colour. However, at the top of the photo the sky is blue which is telling us that the night is coming. I really like this picture because it reminds me of wonderful time which I have spent with my family by the seaside. I truly recommend the place and I will definitely go there in the future.
